

## CONSENT FOR DOING BUSINESS ELECTRONICALLY

**Introduction:** You are submitting a credit application to us electronically using the Internet, which allows us to provide you a faster credit decision and saves you the time of coming to one of our locations. In order for us to use the Internet for this, we need you to consent to our communicating back and forth and giving you certain information electronically. By completing and submitting the Credit Application electronically, you acknowledge that you've had the opportunity to read this document and consent to the electronic delivery of these disclosures.

**Consenting to Do Business Electronically:** Before you decide to do business with us electronically, you should consider whether you have access to the required hardware and software capabilities described in this document.

**Hardware and Software Requirements:** To access and retain information electronically, you will need to use the following computer software and hardware: Internet Explorer 8 or higher, Firefox, Chrome and Safari, or equivalent software, and hardware capable of running this software.

**Your ability to Access Our Website and its Content:** By completing and submitting your Credit Application electronically, you acknowledge that you can access the electronic content in one of the designated formats described above.

**Consent:** By completing and submitting your Credit Application electronically, you consent to having all content provided or made available to you in electronic form and to doing business with us electronically. Further, you acknowledge that, if you are approved for credit and are interested in purchasing a vehicle from us, you will be required to visit one of our retail locations to complete required transaction paperwork and finalize your purchase and financing of the vehicle.
